Education

University of Maine Business School

B.S., Double Major in Finance and Marketing | Spring 2018

Professional Experience

Business Consultant - GTM Engineer & Strategic Advisor | Strategic Market Insights (self-employed) | July 2026 – Present

New York, NY · Advisory & GTM engineering practice · Key Engagement: healthcare AI start-up (confidential)

- Leverage an IT-industry network across data, AI, and MarTech to open new opportunities as a GTM Engineer and Strategic Advisor.
- Own go-to-market for the client's AI compliance product sold to independent clinical practices — segmentation, positioning, $99/$249 tiers, and channel strategy.
- Built the practice's multi-tenant client engagement tracker with Claude Code, with 60 automated tests enforcing cross-client data isolation.
- Advised a healthcare technology start-up on IP ownership and equity tradeoffs across two funding routes: venture capital and government-funded SBIR research grants.
- Produced the collateral the client sells with: pitch deck, competitive battlecards, partner negotiation sheets, and an eight-document executive round table.
- Analyzed 15+ direct, platform-bundling, and affiliation competitors against venture base rates to size the raise at $1.5–3M and set go/no-go milestones.
- Built a phase-gated decision system — structured client intake, source-tagged evidence, and go/no-go criteria — to drive the engagement's analysis.
- Diagnosed data-sync failures from null values and missing governance rules, then enforced sync constraints via 60 automated tests.

Advertising Sales Director - Pro-Division | Professional Sports Publications | March 2026 – August 2026

New York, NY · Print-Media Advertising Agency supporting all major professional and university sports teams (yearbook and program ad placement)

- Produced pitch decks for university, building materials and supply, and automotive prospects, using reach, engagement, CPA, and CPM metrics to justify ad spend.
- Closed 5 signed NFL and MLB team-media partnerships, all paid in full at signing, including 2 accounts with no prior purchase history.
- Qualified every prospect against the budget that can fund it — co-op, MDF, sponsorship, and 501(c)(3) dollars — opening 2 net-new accounts.

- Authored a board-ready memo framing a $3,500 ask against 419 member businesses and 130K+ readers, written as the champion's own document.
- Built and maintained a ~$115K active proposal pipeline through a diagnostic, discovery-first approach rather than a pitch-led one.
- Restructured nine property-level commitments into one shared-cost regional placement across competing budget owners with no single decision-maker.

Financial Services Professional | New York Life Insurance Company | December 2025 – March 2026
New York, NY

- Conducted needs-based assessments on long-term financial, beneficiary, and legacy objectives in estate- and tax-planning terms.
- Developed a referral-based book of business through networking, community involvement, and constituent introductions.

Specialized Lead - Data Analytics & Insights | TEKsystems | 2024 – November 2025
New York, NY · Top firm for I.T. Staffing & Managed Services with flexible engagement types that work with 85% of Fortune 500 companies

- Onboarded 3 Data Science and ML consultants to a Southern Company Gas flex services engagement, then ran monthly 1:1s to keep delivery on track.
- Led monthly 1:1s with onboarded solution architects on Universal Parks & Experiences' managed services deal, surfacing workstream gaps and driving fixes with Customer Success and BD.
- Built an IT network across data, AI, BI, MarTech, solutions architecture, and data science that produced multiple referral-sourced deals closed at Southern Gas Company.
- Scoped and positioned AI, data, and cloud solutions — graph, Adobe Enterprise Suite, Azure, computer vision — translating capability into commercial terms.
- Sourced and staffed 8 solution architects across 8 workstreams on a 12-18 month renewable managed services engagement worth $1M annually.
- Led discovery directly with Southern Company Gas's Center of Excellence on data science, machine learning, and data governance.
- Led a team of up to 5 direct reports inside a 30-person practice, coaching performance through daily process reviews and 1:1 metric sessions.

Enterprise Recruiter – Global Services Division | TEKsystems | 2021 – 2024
Boston, MA · Top firm for I.T. Staffing & Managed Services with flexible engagement types that work with 85% of Fortune 500 companies

- Partnered with Nike's global supply chain team on in-season optimization, delivering an AI-powered document system.
- Opened net-new managed services accounts at Wayfair and Disney's ESPN and Entertainment Technology organization from cold.
- Produced more than half the revenue on Vertex Pharmaceuticals, the firm's largest regional growth account, and expanded into two new groups.
- Sourced, screened, and onboarded enterprise technical talent at scale across four years of professional recruiting.

Sales Development Representative / Inside Sales Rep | demandDrive (Amazon Business & RealPage) | 2018 – 2021
Waltham, MA · Outsourced SDR and Sales Representative firm. Key Engagements: SaaS product Propertyware for RealPage, Amazon Key for Business launch

- Ran a sequenced Marketo campaign targeting competitor-aligned audiences, driving inbound demand and more qualified meetings through pain-point messaging.
- Authored a territory-realignment and post-close operations model adopted company-wide, credited with 150% growth in the Amazon Key for Business launch.

Credentialing & Certifications

- **Claude 101 Certification** — Anthropic
- **Claude Code 101 Certification** — Anthropic
- **Claude for CoWork** — Anthropic *(In Progress)*

Business Consulting Engagements

Healthcare Technology Start-Up (Confidential) / *New York, NY* / July 2026 – Present (Part Time)

Principal Business Strategist – GTM Plan, Business Architectural Roadmap, Blueprint to Obtain Necessary Funding – Healthcare FinTech Start-Up

- Own go-to-market for an AI compliance product sold into independent clinical practices — segmentation, positioning, pricing tiers ($99/$249), channel strategy, and the sequencing that determines which motion gets funded first.
- Advised a healthcare technology start-up on IP ownership and equity tradeoffs while it weighed two funding routes: venture capital and government-funded research through SBIR grants, clarifying what each route meant for ownership.
- Built the multi-tenant, role-scoped client engagement tracker that runs the advisory practice using Claude Code — including 60 automated tests asserting cross-client data isolation — with no prior engineering background.
- Produced the customer- and investor-facing collateral the company now sells with: pitch deck, competitive battlecards, partner negotiation sheets, and an eight-document executive round table with per-presentation talking points.
- Ran financial forecasting (P&L, tool-stack cost model, Year-1 ARR band) and barriers-to-entry analysis to price strategic alternatives before capital committed; recommended a ~$2.15M non-dilutive federal funding route over an equity raise, tied to a dated decision gate.
- Mapped a $0.76B category projected to reach $5.9B by 2035 (22.8% CAGR), benchmarked five direct comparables across four structural models, and built a decision tree of four exit paths with base-rate odds attached — including the cautionary comparable that won regulatory clearance and still failed on commercialization.
- Designed and launched a 30–40 interview customer discovery sprint to size real addressable demand — screener, interview guide, scoring rubric, and 150-practice candidate universe built from scratch — classifying prospects by platform dependence against a pre-agreed threshold that fires a documented kill/pivot decision instead of a debate.
- Concluded that distribution — not product — decides the outcome, redirecting GTM toward malpractice-carrier and professional-association channel partnerships after modeling that a direct human sales motion cannot carry a 12–18 month CAC payback at those price points.
- Set the unit-economic gates the motion is now measured against: blended CAC under $900, payback under 12 months, monthly churn under 5%, time-to-first-value under 7 days.

HVAC Services Firm (Confidential) / *Santa Clarita, CA* / August 2026 – September 2026 (pro bono)

Consultant - Principal Analyst GTM Expansion

- Designed and built the engagement's decision system end-to-end: an intake form converting raw inputs into a structured client profile, source-tagged evidence tracking, pre-set go/no-go criteria, and a phase-gated scan list sequencing the full analysis.
- Built a feasibility dashboard with kill/pivot triggers for an HVAC firm's market-overlap expansion, using cost-ceilings to curb cannibalization and protect profit.
- Advised an HVAC services firm seeking to expand its market presence by researching territory overlap geo-locationally. The analysis moved the firm's expansion plan toward a cost-ceiling approach, with investment limits set by where expansion territories overlapped.

Core Competencies

- **Go-To-Market & Revenue:** account mapping, client retention, product positioning & messaging, value proposition development, customer discovery, solution selling, market segmentation, GTM strategy, pipeline management, revenue forecasting & KPI tracking, contract negotiation, proposal development
- **Research & Analysis:** business process improvement, competitive intelligence, barriers-to-entry assessment, Market landscape analysis, decision-tree modeling, financial forecasting (P&L), unit economics (CAC, payback, churn, TTFV), scenario planning
- **AI & Data:** AI governance & output verification, Claude (Opus 5, Sonnet 5, Fable 5), OpenAI / ChatGPT, Microsoft Copilot, prompt engineering, GenAI & machine learning, data analytics, Tableau, Claude Code
- **Tools & Platforms:** Canva, Salesforce CRM, ZoomInfo, LinkedIn Sales Navigator, Microsoft Excel & Office Suite, Miro, Trello
- **Funding & Commercial Mechanics:** non-dilutive federal grant strategy (SBIR), managed services & RFP response, Restricted & tax-advantaged funding mechanisms (co-op, MDF, 501(c)(3)), board & trustee engagement
