PROFESSIONAL SUMMARY

Revenue operations and sales professional with eight years across B2B SaaS, retail media and sports publishing. Builds forecasting, pipeline and pricing systems that revenue teams actually use, and has carried a quota.

EXPERIENCE

Director of Revenue Operations | Halcyon Metrics | Denver, CO

January 2024 – Present

- Rebuilt the weekly forecast process across three regions, lifting forecast accuracy from 71% to 93% within two quarters.
- Consolidated three CRMs into a single Salesforce instance shared by sales, customer success and marketing.
- Designed lead routing rules and an SLA that cut speed-to-lead from 26 hours to under 2 hours and lifted SQL-to-opportunity conversion by 18 points.
- Built the pricing and packaging model for a new mid-market tier that reached \$1.2M ARR in its first year.
- Grew qualified pipeline to \$6.1M through territory redesign and a rebuilt SDR-to-AE handoff.

Senior Account Executive | Kestrel Adtech | Remote

2021 – 2024

- Closed \$2.4M in new business in FY2023 at 128% of quota, the top result on a team of nine.
- Built ROAS and CPM business cases for CMO and CFO buyers, raising average deal size 35%.
- I partnered with agency holding companies to expand the network into 12 new brands over 18 months.

Marketing Manager | Pinecrest Sports Media | Boulder, CO

June 2018 – February 2021

- Grew newsletter subscribers from 40K to 110K in 18 months while holding a 38% open rate.
- Launched a sponsored-content product that produced \$850K in first-year revenue.
- Led the rebrand of three regional sports properties, coordinating design, editorial, sales collateral and a 14-market launch calendar, while keeping the combined program within 4% of budget.

Sales Development Representative | Quillstone Software | Denver, CO

August 2016 – May 2018

- Booked 140 qualified meetings in a year and finished #1 of 12 SDRs.
- Wrote outbound sequences adopted team-wide, lifting reply rates from 9% to 14%.

EDUCATION

Lakeside State University — B.A., Communication, 2016
