PROFESSIONAL EXPERIENCE

Founder, Business Consultant, and GTM Engineer | Strategic Market Insights

July 2026 – Present

New York, NY · Advisory & GTM engineering practice · Key engagement: healthcare AI start-up (confidential)

- Built a feasibility dashboard with kill/pivot triggers for an HVAC firm's market-overlap expansion, using cost-ceilings to curb cannibalization and protect profit.
- Built the practice's multi-tenant client engagement tracker with Claude Code, with 60 automated tests enforcing cross-client data isolation.
- Authored the launch-readiness assessment that reset the execution sequence, converting five organizational gaps into a dated plan with named owners.
- Produced the collateral the client sells with: pitch deck, competitive battlecards, partner negotiation sheets, and an eight-document executive round table.
- Mapped stakeholder intervention and sign-off criteria for a startup client, defining who owned gates and approvals across the engagement.
- Reconciled the client founder's four-pillar vision and three build memos into one staged roadmap: 12 recommendations, 4 stage gates, 8 board decisions.
- Own go-to-market for the client's AI compliance product sold to independent clinical practices — segmentation, positioning, \$99/\$249 tiers, and channel strategy.

Advertising Sales Director, Pro Division | Professional Sports Publications

New York, NY · Official NFL & MLB team publication advertising and sponsorship

- Built and maintained a ~\$115K active proposal pipeline through a diagnostic, discovery-first approach rather than a pitch-led one.
- Closed 5 signed NFL and MLB team-media partnerships, all paid in full at signing, including 2 accounts with no prior purchase history.
- Identified key decision-makers with ZoomInfo, LinkedIn Sales Navigator, and AI-assisted account mapping using OpenAI and Claude models.
- Authored a board-ready memo framing a \$3,500 ask against 419 member businesses and 130K+ readers, written as the champion's own document.
- Qualified every prospect against the budget that can fund it — co-op, MDF, sponsorship, and 501(c)(3) dollars — opening 2 net-new accounts.
